

GUILDERLAND ELEMENTARY SCHOOL  
2225 Western Avenue  
Guilderland, New York 12084

If you hear the call, “Step right up to see the Amazing Mike McCrae!” make sure you get to the front of the line! You won’t want to miss this wonderful performance! Kids of all ages will enjoy his one man circus show! You will get an opportunity to see Mike juggle balls, swords, and even flaming torches!

Here at Guilderland Elementary School, our students, parents, and staff have enjoyed Mike’s performances for the past nine years at our “Welcome Back Ice Cream Social.” Mike is a very talented performer and he allows his audience to see all of his actions from an up close vantage point, adding to the excitement and wonder of it all.

Many of our students learn to juggle during physical education classes and they have a great appreciation for Mike’s outstanding juggling skills! While juggling is certainly a key part of Mike’s performance, it is certainly not the limit to his talents. He rides a unicycle while demonstrating many dazzling feats.

Mike has consistently performed for children and adults alike with a fun and entertaining show. Our Guilderland Elementary community looks forward to it every year!
